LIVE REMOTE

WORLD
CHAMPIONSHIP

2021

PRESENTED BY

NORTHROP
GRUMMAN
FOUNDATION

CERTIFICATE OF PARTICIPATION

MAY 17-29, 2021

PRESENTED TO

Siu Hin MA

The REC Foundation and VEX Robotics hosted the Live Remote VEX Robotics World Championship, which showcased the incredible talent and skills of student competitors using the Live Remote Tournament and Live Remote Skills interfaces. Over 1,400 combined VEX IQ Challenge Elementary and Middle School and VEX Robotics Competition Middle School and High School teams celebrated their accomplishments and competed with the best teams from around the world. We are grateful for your participation at the 2021 VEX Robotics Live Remote World Championship.
